Honors and Unique Qualities

- **Mission:** To educate students by integrating academic excellence with a Christian worldview, equipping them to impact their world for Christ. **Vision:** UC Academy shall be a reflection of God's excellence in school instruction and operation. **Core values** are Christ-Centered, Academic Excellence, Loving Community and Transformational Learning
- Voted Best Private School in the Inland Valley- Reader's Choice Award
- Award Winning Yearbook via the American Scholastic Press Association
- Award Winning Concert Choir and Performing Arts Program
- The National Christian School Athletic Association recognized two of United Christian Academy's recent graduates for their athletic excellence. Both school teams and individual athletes have received numerous sports championships and awards
- School has received the highest accreditation possible from the Western Association of Schools and Colleges
- Students typically score within top 30% on standardized tests
- School uses proven, effective teaching methods, blending a traditional approach with modern technology and current educational research
- All international students enroll in UC Academy's unique 'international track' program. All international students will be taking classes, participating in activities, and interacting with native students, assured with a faster learning of the language and culture. The overall approach of the program is integrated induction and total immersion. Tutoring, academic help, and standardized test and college admission preparation

Location and City

School is located on a beautiful, modern, safe, 30-acre campus in Southern California, next to historic Route 66, only one hour drive from Los Angeles and all of the area's major attractions, including Disneyland, Universal Studios, California Adventure, beaches, golf courses, Mount Baldy Ski Resort and Mountain High Ski Resort. Many excellent colleges in California, such as Cal Tech, UCLA, USC, Claremont Colleges, Pepperdine University, and Cal Poly, are in local proximities.
