DANCE PARTICIPATION

Students are to conduct themselves as mature, responsible individuals. Obedience to chaperones and school officials is expected at all times. Undesirable or improper conduct of a student at a school sponsored event results in the loss of student activities, notification of parents/guardians, and/or disciplinary action by administration.

You may not return to your car while the dance is in session unless you are leaving with permission.

You may not return to the dance without permission once you leave.

Please respect God and others by dancing appropriately.

DANCE ATTENDANCE ELIGIBILITY

1. Students must be in official school attendance (attend minimum of 50% of classes) on the scheduled day of the dance if the dance is on a school day.
2. Guests assigned suspension on the day of or day before the dance shall not attend the dance.
3. All school policies are in effect during dances *including the dress policy* (unless specifically noted by administration). Provocative clothing are not permitted. Students disciplined for failure to abide by such policies may be denied attendance at future dances.
4. Gum chewing is not permitted at school dances. (This is due to respect for the facility and as per many of their requirements.)
5. Suggestive or provocative dancing is strictly prohibited. Such dancing will result in discipline and removal from the dance and attendance at future dances.
6. Faculty and administration has sole authority in enforcing dance regulations.
7. Students shall be picked up no later than 15 minutes (unless helping with tear down) following the conclusion of the dance. Attendance at future dances may be jeopardized if this policy is ignored.
