## Introduction

UC Online Pathway (a Pathway Partner) ("we" or "us") provides an online service, the UC Online Pathway website, <https://www.ucacademy.org/admissions/online-academy/> (the "Site"), related subdomains, and programs hosted by or on behalf of UC Online Pathway and related services (together with the Site and the Products, the "Service"). The terms "you" and "user" means all individuals and entities that access the Service.

This Privacy Policy describes how we use Personal Information (defined below) that we collect from you as part of you using our service and also applies to information that we may collect from you outside our Service, such as over the phone, by fax, through mail services, or any other related means. This Privacy Policy also describes the choices available to you regarding our use of your Personal Information and how you can access and update this information, and what information you provide that we will retain even if you decide to stop using the Service. Our Privacy Policy is not a contract, and it does not create any legal rights or obligations.

You should also read our Terms of Service, available at [PPA pinpoint site for TOS] which contains important information about the scope and nature of the Service, and the rules that apply to your use of our Service. All capitalized terms used in this Privacy Policy that are not defined in this Privacy Policy have the meaning given to them in the Terms of Service for UC Online Pathway.

Your use of the Service indicates that you consent to our collection, storage, use and disclosure of your personal information and other information as described in this Privacy Policy and the UC Online Pathway Terms of Service located at [PPA pinpoint site for TOS] If you do not consent to the use of your Personal Information as described in this Privacy Policy or do not agree to the Terms of Service, do not use the Service.

This Privacy Policy is provided in compliance with the Children's Online Privacy Protection Act ("COPPA"); to inform parents of the information we collect from users of the Services, to describe how we use and disclose that information, and how we obtain their required consent to collect information from children under 13 years of age. For purposes of clarity, the term "children" or "child" may refer to "student(s)" in connection with our services and privacy policy. We only receive personal information about children under the age of 13 strictly from their parents and/or legal guardians at the time those children are enrolled into a participating school using our Services. The only information we directly collect from minor children is the information they provide (such as test answers, electronic mail and class discussions) as part of their education in a participating school in contract with our Services.

As we take the privacy of young children very seriously and want to ensure proper safeguarding of their personal information, in the event we inadvertently received information from a child

under the age of 13 as, for example, by fraud or deception by others, please email us at [service@pathwaychristian.org](mailto:service@pathwaychristian.org).

#### “Select” or “Participating School”

As applied in our Terms of Service and this Privacy Policy, select or participating school means a school (public or private) that offers curriculum and/or services provided by UC Online Pathway under a written agreement with us.

**“Personally Identifiable Information” or “PII”** means information that, alone or in combination, is linked or linkable to a specific person that would allow a reasonable person, who does not have personal knowledge of the relevant circumstances, to identify the person with reasonable certainty.

#### What laws generally apply to student records?

A student’s education records are protected by Pathway Preparatory Academy as required by the Family Educational Rights and Privacy Act (“FERPA”) and applicable state laws regarding the privacy of student records or PII. In performing our services, we will only disclose education records or provide access to them in compliance with FERPA and applicable state laws, and we will require third parties that contract with us and have access to education records to do the same. We will not use or seek permission to use a student’s PII for purposes unrelated to providing or improving their education where required by law to do so.

#### What information we collect about students

As described above, we collect personal information from students and/or their parents to help manage a student’s educational goals in conjunction with the student’s participating school and teachers.

#### How information is collected

We may collect information about students directly from students or parents, as well as automatically through a student’s use of our Services. UC Online Pathway may terminate these Terms at any time without notice, discontinue or remove the Site or any portions thereof or suspend or terminate your access and use of the Site and/or the Service at any time, with or without cause, in UC Online Pathway' sole discretion. In the event of termination, the intellectual property, disclaimers, releases, arbitration agreement, class action waiver, limitations of liability provisions and any other provisions which by their nature are intended to survive set forth in these Terms will survive.

#### Dispute Resolution and Arbitration

##### Introduction

This section includes an arbitration agreement and an agreement that all claims will be brought only in an individual capacity (and not as a class action or other representative proceeding). Please read it carefully. You may opt out of the arbitration agreement by following the opt out procedure described below.

##### Informal Process First

You agree that in the event of any dispute between you and UC Online Pathway, you will first contact UC Online Pathway and make a good faith sustained effort to resolve the dispute before resorting to more formal means of resolution, including without limitation any court action.

##### Arbitration Agreement

After the informal dispute resolution process any remaining dispute, controversy, or claim (collectively, "Claim") relating in any way to your use of UC Online Pathway's services and/or products, including the Service, or relating in any way to the communications between you and UC Online Pathway or any other user of the Service, will be finally resolved by binding arbitration. This mandatory arbitration agreement applies equally to you and UC Online Pathway. However, this arbitration agreement does not (a) govern any Claim by UC Online Pathway for infringement of its intellectual property or access to the Service that is unauthorized or exceeds authorization granted in these Terms or (b) bar you from making use of applicable small claims court procedures in appropriate cases. If you are an individual, you may opt out of this arbitration agreement within thirty (30) days of the first of the date you access or use this Service by following the procedure described below.

Arbitration is more informal than a lawsuit in court. There is no judge or jury in arbitration. Instead, the dispute is resolved by a neutral arbitrator. Court review of an arbitration award is limited. Except to the extent the parties agree otherwise, arbitrators can award the same damages and relief that a court can award. You agree that the U.S. Federal Arbitration Act governs the interpretation and enforcement of this provision, and that you and UC Online Pathway are each waiving the right to a trial by jury or to participate in a class action. This arbitration provision will survive any termination of these Terms.

If you wish to begin an arbitration proceeding, after following the informal dispute resolution procedure, you must send a letter requesting arbitration and describing your claim to UC Online Pathway at 6160 Warren Parkway, Suite 100, Frisco, Texas 75034. The arbitration will be administered by the American Arbitration Association (AAA) under its rules including, if you are an individual, the AAA's Supplementary Procedures for Consumer-Related Disputes. If you are not an individual or have used the Service on behalf of an entity, the AAA's Supplementary Procedures for Consumer-Related Disputes will not be used. The AAA's rules are available at <http://www.adr.org> or by calling 1-800-778-7879.

The number of arbitrators will be one. You may choose to have the arbitration conducted by telephone, based on written submissions, or in person in the county where you live or at another mutually agreed location. The arbitration will be conducted in the English language. Texas law will apply. Judgment on the award rendered by the arbitrator may be entered in any court having jurisdiction thereof.

Payment of all filing, administration and arbitrator fees will be governed by the AAA's rules.

The arbitrator, and not any federal, state, or local court, will have exclusive authority to resolve any dispute relating to the interpretation, applicability, unconscionability, arbitrability, enforceability, or formation of this arbitration agreement, including any claim that all or any part of this arbitration agreement is void or voidable.

If you do not want to arbitrate disputes with UC Online Pathway and you are an individual, you may opt out of this arbitration agreement by sending an email to [support@pathwaychristian.org](mailto:support@pathwaychristian.org) within thirty (30) days of the first of the date you access or use the Service.
