

Important Social Distancing Guidelines for Summer Camp

Welcome to Camp Kahuna! We understand that families are concerned about the safety of their child and we want to assure you that we are taking your concerns and the safety of your child seriously. Below are the guidelines that will help us keep your child and community safe:

Drop Off/Pick Up

- Please wear a face covering when dropping off/picking up your child.
- Each child will have a temperature reading at drop off.
- If your child has had a fever and/or vomiting in the last 24 hours they will not be admitted to camp.
- Please be sure to give sufficient time for drop off to allow for the health check.

Classroom

- Campers will be asked to wear a face covering inside the classroom. If you would like your child to wear a mask during outside play, please let us know.
- Classroom ratios will be kept at 15:1 or less.
- All surfaces and high touch points inside the classroom will be sanitized throughout the day.
- Campers will be taught to practice proper social distancing and hand washing techniques while in the classroom.

Playground

- Campers will wash their hands before and after each recess.
- Play equipment will be sanitized before and after each group's use.
- Play time will be staggered for each group to minimize the number of campers in the same area.
